

June 2022

## Looking ahead!

It's been a great year, and we are already looking ahead to great things in 2022-2023!

Here is a snapshot of what you can expect:

More International themes on our menus!

Meatless Mondays!

Build Your Own Salad Bars featuring fresh and seasonal ingredients!

Continued innovation and creativity with food and service!

A partnership of individuals who care about the success of each student and each family!

It's hard to believe that we are at the end of the year already! The summer is close by, school is winding down, and we are getting ready to say good bye until the new school year in the fall!

It has been an amazing year, and one we are quite proud of! The dining teams at each school overcame tremendous challenges with staffing, product shortages, and COVID, to serve up over 600,000 meals to our staff and students!

I am humbled and amazed often at the work we all are able to do, and it is my chief source of pride to work alongside the families and staff of Westport, and to serve alongside my wonderful team of dedicated professionals!

I hope you all have a great summer, I look forward to seeing you all again in the fall!

*Ben*

## Catering FUN!!

May and June are busy months for events and catering!

See below for photos from a few events in May:

*Junior Prom, Senior Picnic, and the BMS Art Show!!*

## Senior Picnic at Staples

Saying goodbye to the  
Class of 2022 in style!!

## BMS Art Show

We did a beautiful setup for families and students on  
June 5, to go with the beautiful artwork on display!

## Junior Prom

Proms are FUN days to get to celebrate and feed our students!

We put together a top notch spread featuring sliders, a French fry bar, crudité, desserts, and even our own Bubble Tea station!!

### Staff Feature: Junior-15 years SHS

Junior is the lifeblood of the Staples High School team!

He is the kitchen lead, and is responsible for helping to put together all of the amazing food our students eat everyday!

He is a true veteran of our team, and someone we could not do what we do without!

**Thank you Jr!**

## School Lunch hero Day!!

On Friday, May 6th, Chartwells celebrated National School Lunch Hero Day in our schools across the country as we recognized our 16,000 cooks, chefs, dietitians and foodservice workers who served more than 300 million meals since the start of the pandemic.

Chartwells teams in Westport were greeted with signs, notes, announcements, and even a song!!

# SCHOOL LUNCH HERO DAY™
