## **BMS DAILY ROUTINES**

Bedford's main office is open from 7:30 am to 3:30 pm during scheduled school days. The telephone number is 203-341-1500. The school day begins with homeroom at 8:00 am and ends at 2:45 pm for students. We ask that students not arrive to the building before 7:30 am unless scheduled to meet with a specific teacher for extra help, a planned meeting for a school club/organization or special music performance group.

## **THE SCHOOL DAY**

- The school day for students: 8:00 am to 2:45pm
- Early dismissals (commonly referred to as 'half days') are scheduled and appear on the district calendar; the early dismissal time for BMS is 12:15 pm
- Students may enter Bedford starting at 7:30 am for extra help and also enjoy our cafeteria, which is open serving breakfast daily.
- Students may arrive before 7:30 am if they are part of a special music performing group or have a meeting with a teacher for extra help
- The BMS Main Office hours are 7:30 am – 3:30 pm

## **ATTENDANCE POLICY**

Daily attendance, timeliness and punctuality are required and essential for your success; consistent school attendance is the law and an integral part of your educational experience. Therefore, our expectation is that you and your family make every effort to attend school regularly, arrive on time, schedule personal and medical appointments after school hours and avoid taking family vacations when school is in session. The State Board of Education has issued a definition of "attendance" for children attending public schools in Connecticut; a student is considered to be "in attendance" if present at school, or an activity sponsored by the school (ex. field trip), for at least half of the regular school day (4 hours minimum at BMS).

Absences from school beyond 9 days will require a doctor's notes to be considered excused. Students attending school for less than four (4) hours on any given school day shall be recorded as absent. Connecticut's truancy law mandates an active role for schools in ensuring the regular attendance of all school children. This law imposes requirements for greater parental responsibility and obliges boards of education to refer truant students to the courts. Attendance is checked daily; parents and guardians will be notified when you are absent from school. If you are going to be absent, your parents should leave a message on our Attendance HotLine (203-341-1599) before 8:00 am.

### **Parent Responsibilities**

The Connecticut State Law regarding parental duties and obligations relating to their children and regular school, section 10-184, provides that each parent, or other person having control of a child 7 years of age or older and under 16 years of age, shall cause the child to attend school regularly during the hours and terms the school is in session.

### **Westport Middle School's Responsibilities**

Effective July 1, 1991, Connecticut legislators passed a law, Public Act 91-202, outlining specific mandates for public schools. All of the mandates outline early intervention efforts, as well as last resort action in dealing with truants.

### **Absentee Call-In System**

When the school is not notified of a student's absence, our automated system places a "safe call" to insure the parent is notified the student is not in school. To avoid receiving this notification please adhere to the following procedures outlined in the section titled, "Absentee call-in system."

If you know that your child is going to be absent from school, **call 203-341-1599** before 8:00 am and leave a message on the attendance line. Please provide the following information in your message:

- Parent/guardian's full name
- Child's full name & grade
- Date of the absence
- Reason for the absence

### **Excused Absences**

In accordance with the law, and pursuant to Westport Board of Education's attendance policy, an excused absence is any absence which meets the following standards:

- Personal illness
- Health related appointments that cannot be scheduled outside regular school hours
- Religious observances
- Court appearances
- Death in the family
- Family emergencies

### **Procedure for Excused Absences**

Cases of repeated parental-excused absences (five or more non-consecutive absences in a marking period) are to be handled by the principal or delegated agent. Excessive absences may result in a conference with the parent and a follow-up letter to resolve the situation.

### **Procedures for Unexcused Absences:**

Absence for reasons other than those listed above are considered unexcused. Four unexcused absences within 4 weeks or 10 unexcused absences within a school year is considered truancy and will be addressed accordingly. Excessive absences may result in the following:

- Conference with the parent and a follow up letter to resolve the situation
- Referral to appropriate agencies including CT Department of Children & Family Services

### **Tardy Procedure**

Any child who arrives to homeroom after 8:00 am must report to the main office to obtain a tardy pass which he/she will hand into the classroom or homeroom teacher. (This does not apply to students who arrive late to school because of a bus.) Students are responsible for being punctual. All incidents of tardiness, excused or unexcused, are recorded on a child's attendance record.

### **Procedure for Excused Tardiness to School**

Cases of repeated 'serial' tardiness to school (more than five non-consecutive within a marking period) are to be handled by a school administrator or delegated agent and may result in the following course of action, appropriate to the case:

- Conference with the parent and a follow up letter to resolve the situation
- Disciplinary action as needed

### **Procedure for Unexcused Tardiness to School**

In case of repeated unexcused tardiness to school, the following courses of action, which are appropriate to the situation, may be taken:

- Conference with the parent and a follow-up letter to resolve the situation
- Disciplinary action as needed
- Consultation or referral to other appropriate agencies including CT Department of Children and Family Services

### **Procedure for Unexcused Tardiness to Class**

In case of repeated unexcused tardiness to class, the following courses of action, which are appropriate to the situation, may be taken:

- Three incidents of tardiness to a specific class in a marking period will result in one central detention. Parents will receive a phone call from an administrator
- Conference with the parent and a follow-up letter to resolve the situation
- Detention or in-school suspension

### **Consequences of Missed Work, Homework and Make-Up Work**

Students absent because of illness or other legitimate reasons for no more than two consecutive days, will usually not be given special homework, but will instead check online for assignments, receive help from their teacher upon their return to school, either in class, before or after the school day per the teacher's discretion. Students will be allotted extra time to make up work (e.g. homework, tests, etc.) missed on account of illness per teacher discretion.

When a student's absence on account of illness, injury or other legitimate reasons extends to three or more consecutive days, special homework may be provided if requested or situation necessitates additional communication between school and home. Parents may arrange for special homework by notifying the team leader; when the work is ready, parents will be notified to pick it up in the BMS main office.

In accordance with Westport Board of Education policy, in cases of extended absences due to illness or injury, the district may provide homebound instruction. This is processed directly through the district-level Pupil Service Office.

Extended absences for family vacations are considered unexcused unless approved by the Principal for reasons such as extraordinary educational opportunity. Parents seeking approval for temporary removal from school should contact the BMS main office. If approved, parents should give teachers timely notice of the absence. While teachers are not required to create special assignments for individual students on temporary leave from school, students and parents may be provided assignments and uninterrupted access to Powerschool.

K-8 students are not penalized by the school for absences due to family vacations or travel. That is, they are not given zeros for work missed. Depending on the teacher's judgment of the value of the make-up, either they are not required to make up specific tests or projects, or they are given time to complete the projects and are permitted to make up the tests after an appropriate time. If as a result of absences, a child needs extra help, teachers are not required to provide it on their own time. If special tutoring is needed as a result of elective absence, any cost incurred would be the responsibility of the parents, not the school.

### **EARLY DISMISSAL PROCEDURE**

If your child needs to leave school during the day, please send your child with a signed note to be delivered to the main office as soon as your child arrives to BMS in the morning; the main office will provide your child with a pass to leave their class shortly before the designated pickup time. Parents and guardians must come into BMS to sign-out their child in the main office. If your student returns to school after an appointment, they must sign-in the main office; parent presence in the main office is not required for signing a student back into school.

Such policies, procedures and rules are applicable in the school, on school grounds, on the bus, on the way to and from school, and at school-sponsored activities, including field trips.

Bedford Middle School also recognizes the value of consistency in dealing with disciplinary matters across grade levels and in each classroom. The goal of all disciplinary action is to bring about a positive change in student behavior with the ultimate goal of developing self-discipline in each student.

In most cases, the classroom teacher handles initial discipline; the courses of action outlined in the following pages refer to those matters that come to the attention of administration. In order to implement the following standards effectively, cooperation and mutual support between parents and professional staff is essential. Please remember to sign and return the form mailed to you in the summer mailing packet to confirm that you have read and reviewed this document with your child.

### **STUDENT RIGHTS AND RESPONSIBILITIES**

Bedford Middle School is committed to safeguarding the rights given to all students under state and federal law. In addition, to promote a safe, healthy, orderly and civil school environment, all students have the right to:

Based on the CT statute, which authorizes discipline for students whose conduct on school grounds or at a school sponsored activity is violative of a publicized policy or is seriously disruptive of the educational process or endangers persons or property (from Section 10-233), BMS considers unauthorized and surreptitious recording of administrators, teachers or students as inherently disruptive to the educational process. Such conduct is prohibited at school or a school- sponsored activity. Such conduct is also prohibited off-campus when it has the effect of interfering with the educational process. In considering such interference, school officials shall consider the following factors:

- Whether the conduct seriously impeded the day-to-day operation of the school;
- “(A) whether the incident occurred within close proximity of a school; (B) whether other students from the school were involved or whether there was any gang involvement; (C) whether the conduct involved violence, threats of violence or the unlawful use of a weapon, as defined in section 29-38, and whether any injuries occurred; and (D) whether the conduct involved the use of alcohol.” Connecticut General Statutes, Section 10-233d(a)(1);

**MEAN-SPIRITED BEHAVIOR: ANTI BULLYING POLICY**

In accordance with state law, it is the policy of the Board of Education that any form of bullying behavior, whether in the classroom, on school property or at school-sponsored events, is expressly forbidden.

“Bullying” behavior by any student in the Westport Public Schools is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. “Bullying” means any overt acts by a student with the intent to ridicule, humiliate or intimidate the other student while on school grounds or at a school-sponsored activity, which acts are committed more than once against any student during the school year. Off-campus bullying that has a direct, negative impact on a student’s academic performance or safety in school is also subject to in-school discipline. Students and parents may file written complaints concerning suspected bullying behavior, and students shall be permitted to file verbal complaints or anonymously report acts of bullying to teachers, school administrators, counselors, nurses and other school staff members. Any report of suspected bullying behavior will be promptly reviewed. If acts of bullying are verified, disciplinary action may be taken against the perpetrator, consistent with his/her rights of due process.

Students who engage in bullying behavior shall be subject to school discipline up to and including expulsion in accordance with the Board’s policy on student discipline. The detailed Board Policy and Administrative regulations can be accessed online at <http://blackboard.westport.k12.ct.us>. Under the “District” tab, link to “Policies”

For purposes of this policy, "Bullying" shall mean (1) any overt acts by a student or group of students directed against another student with the intent to harass, ridicule, humiliate or intimidate the other student while on school grounds or at a school-sponsored activity, which acts are repeated against any student over time and (2) any overt acts by a student or group of students directed against another student with the intent to harass, ridicule, humiliate or intimidate the other student while off school grounds, which acts are repeated against any student over time.

For purposes of this policy, "school-sponsored activity" shall mean any activity conducted on or off school property (including school buses and other school-related vehicles) that is sponsored by the Board of Education.

- Not possess, sell, or use fireworks, explosives or other incendiary devices

### **Be a responsible bus rider.**

- Students transported in a school bus are under the authority of and respond directly to the driver of the bus. It is crucial for students to behave appropriately while riding on the bus to ensure their safety and that of other passengers, and to avoid distracting the bus driver. Students are required to conduct themselves on the bus in a manner consistent with established standards for classroom behavior. Excessive noise, pushing, shoving and fighting will not be tolerated
- Students shall: (see under heading “Daily Routines”)

### **DISCIPLINARY CONSEQUENCES**

#### **\*\*\*NOTICE\*\*\***

**Bringing any weapon (knife, blade, gravity knife, folding knife, gun, slingshot, LASER, airsoft gun, paint gun, pellet gun, hand-made slingshot, 3D printed weapons/projectile launchers, etc.) or facsimile of a weapon (fake weapon) into Bedford Middle School or school bus will automatically result in out of school suspension and referral to the Superintendent for expulsion.**

The administration has established the following consequences to ensure compliance with the standards stated above. Appropriate action may include, although it is not limited to, one or more of the following:

- Conference with student and/or teacher and/or school counselor that includes a review of the school policy that deals with the given infraction
- Assignment of lunch detention or after-school central detention
  - After three accrued lunch detentions with a single marking period ( $\frac{1}{4}$  the school year), students shall be assigned a central detention to be served after school from 2:45 pm - 3:30 pm.

### **MOBILE ELECTRONIC DEVICES: THE CELL PHONE POLICY**

Use of cellular ‘smart’ phones by students is not permitted during school hours 8 am - 2:45 pm. Upon arrival to school, students are expected to lock their mobile device (ex. smartphone, tablet) in their locker before homeroom, which starts at 8 am. Bedford’s student lockers are carefully inspected and all combinations are changed every summer to make certain the lockers are in excellent working order. Students are not to share their locker combinations with other

students. If a student has a concern about the security of their locker, they are to report the issue to their homeroom teacher or school administrator to rectify the issue.

Students may not call or text parents from their personal cell phone for a parent-pick-up during the school day without visiting the health center for assessment from a school nurse.

Students found using a cell phone or mobile device during the school day will relinquish the device to a staff member. The staff member will deliver the device directly to the main office. For a first offense, the student may pick up their device at the end of the school day; a second offense will require a parent to retrieve the device from the main office at Bedford, additional offenses may result in disciplinary action. The exception to this policy is per the consent of teachers who may grant permission for special circumstances, projects, and events.

## **DRESS GUIDELINES**

The following guidelines apply to all regular school activities:

- Shoes appropriate for school activities must be worn at all times. Footwear standards are maintained for the prevention of accidents and injury. High-heeled shoes or sandal styles that make walking, running or other activities less safe for students are discouraged.
- Clothing and jewelry should be safe and free of writing, pictures, or any other insignia which are crude, vulgar, profane, or sexually suggestive or which advocate violence, racial, ethnic, or religious prejudice, or the use of drugs or alcohol.
- No clothing, article of clothing, or manner of wearing clothes that is inappropriately revealing is permitted. Underwear should not be visible.
- Clothing or jewelry which is distracting, or disruptive to the educational program, or which is gang-related, or which poses a threat to the physical well-being and safety of the students or others, shall not be worn on campus or at school activities.
- The principal and staff at each school may establish additional dress and grooming regulations, when necessary, for regular school activities and/or for times when students are engaged in extracurricular or other special school activities.
- Coaches and teachers may find it necessary to impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes.
- Principals may confiscate inappropriate attire and provide a suitable substitute if available, and/or phone home to inform parents that a change of attire must be provided.
- Parents are advised to be sure that students have outerwear appropriate to the weather and to the activities in which they will engage, e.g., warm clothes for recess, rain/snow boots when needed and appropriate clothing in inclement weather.

## **REQUIRED ATTIRE FOR PHYSICAL EDUCATION**

Students are required to change clothes for physical education class. Items include: sneakers and socks, athletic shorts and a white crew-neck T-shirt (short or long sleeved). Students are expected to bring home their PE attire to launder on a regular basis. Long athletic pants and sweatshirts are recommended for colder weather. For safety, jewelry should not be worn and long hair should be secured back.

## **ACADEMICS**

### **ACADEMIC INTEGRITY**

Every school wrestles with issues of academic integrity. In Westport, as elsewhere, we realize scholastic dishonesty has been made easier—and so much more tempting—with the advent of the internet and of technology which brings a broad range of information within effortless reach of everyone.

To combat cheating we have adopted a range of consequences for students who violate the rules against unethical behavior. (These are enumerated in both the parent handbook and in the handbook of each individual.) But the outcome of soul-searching staff discussions is the recognition that our primary aim as a school system is not to catch and punish perpetrators, but to help children develop the appropriate degree of competence, learn to think analytically, value ethical behavior and take responsibility for their own actions. There is no doubt in our minds that values and academic goals are inseparable. Because, after all, who are the cheaters cheating? They are cheating themselves. If students do not truly learn and do their own work, but resort to subterfuges, they may, if undetected, look good on paper-but they will not have acquired the knowledge and skills needed for a successful life, or developed the confidence that accompanies the competence.

While the problem may seem more acute in the upper grades, the mind-set that either allows students to cheat, or protects them from the temptation, starts much earlier and is influenced not only by what we teach them at school, but what they see all around them, in their families and the world at large. Even as parents and teachers encourage students to get good grades and develop their transcripts, we need to help them see that the real value of education lies not in the grade, but in the learning it represents. At the start of this new school year we invite you, our partners in your children's education, to share the responsibility of reinforcing the attributes of diligent work, academic integrity and personal honesty that we all value.

### **CURRICULUM**

Information pertaining to the curriculum can be found on the district website (<http://www.westport.k12.ct.us/>) under the district tab, link to "Curriculum and Program Information."

### **HOMEWORK**

Homework is designed to relate specifically to subject area and grade level content to support student:

- Development of skills
- Mastery of concepts associated with curricular essential questions
- Reinforcement of learning through practice, preparation and extensions

### **General Homework Guidelines for Parents**

Homework may be assigned approximately for:

- o Grade 6: 1 – 1 ½ hours
- o Grade 7: 1 ½ - 2 hours
- o Grade 8: 2 – 2 ½ hours

If your child is unclear about homework assignments, we encourage you and your student to check the online Schoology site frequently for updates, your child's assignment book, or have your child contact a classmate. If homework is not assigned, students may always read a book for 30 minutes and practice organizational and study skills.

If a student is absent for more than three days due to illness, parents may contact the team leader and request that homework assignments be sent home. Teachers will provide homework assignments in a timely fashion after notification by a parent. All required assignments are expected to be completed and will be checked by the teacher.

**Please Note:**

- Homework will not be provided in advance for students taking vacation during school time. Upon returning from these unauthorized vacations, a student is obligated to meet with their teachers and make up missing assignments.
- Homework may be given over weekends to accommodate long term projects or as preparation for activities the following week. School and religious holidays must be taken into consideration when planning long term assignments or general homework assignments.

**REPORT CARDS**

- The school year is divided into four marking periods of approximately nine weeks each.
- Report cards will be available on-line after each marking period.
- If a student has accountability, i.e. money owed due to missing library books, missing textbooks, etc., the report card will be withheld until the problem is resolved.
- While teachers will generally work with students to plan a schedule for completing missing work, this is not a requirement of teachers.
- Students may receive an 'incomplete' ('I' on the report card) due to excessive missing work; an 'incomplete' may become a 'failure' ('F' on the report card) if students do not make up required work.

**INTERIM PROGRESS REPORTS**

All parents have access to the live eSchool gradebook feature through Home Access Center (HAC), as such, Interim Progress Reports (IPRs) are not generated. In lieu of IPRs, a ConnectEd email is sent to all parents with an alert that it is mid-marking period and a prompt to check their child's grades online. Parents with questions or concerns about their child's grades should contact the classroom teacher first, and then the counselor for additional assistance.

## **PRIVATE SERVICE PROVIDERS**

The Westport Public Schools recognizes the value of its faculty as they work with students in Westport's classrooms. Their primary responsibility is to teach the students of Westport who attend our schools. Teacher time and energy is diverted when private service providers attempt to speak with Westport teachers to seek student information and/or request a visit to the classrooms of Westport students when school is in session.

In recognition of the valuable resources Westport teachers bring to their work with Westport students in our classrooms, Westport teachers are not required or expected to communicate with or provide information to private service providers. Similarly, visits to Westport classrooms by private service providers and/or agencies will not be permitted unless as part of the process necessary to determine or develop programming expressly specified by a qualified school official or central office official.

## **PARENT TEACHER CONFERENCES**

- Conferences with teachers or school counselors can be initiated by parents, students, teachers, counselors, or the administration at any time during the school year.
- Please go to the online phone directory listed under "About BMS" for faculty and staff telephone numbers. Email addresses are generally formatted as the first letter of the staff member's name followed by their last name and the district email address. i.e. John Smith would be [jsmith@westport.k12.ct.us](mailto:jsmith@westport.k12.ct.us).

## **LIBRARY MEDIA CENTER**

The library is the "Information Hub" for Bedford Middle School. Students and staff can use a wide variety of resources to solve their information problems. Computers are available for word processing, database research and general internet use that complies with the district's Acceptable Use Policy.

The library is open every school day from 7:35am until 3:30pm. The Bedford librarian can be reached at 203-341-5110. Students are welcome at any time to select and borrow reading materials. Books may be borrowed for three weeks and may be renewed if needed for a longer period of time. There is a limit of 5 books a student may borrow at one time. If a student has overdue materials, they will have their report card held until the materials are returned.

Library resources include:

- Computers for student use
- A wide variety of database subscriptions and instructional DVDs
- 16,000 volume fiction & nonfiction collection
- Internet/Web access with protections
- Print and full text computer based periodical collection

Students may use the library independently (with a pass from a teacher) or with a class or small group. Students are discouraged from using the library to socialize but are always welcome when working on projects or just browsing.

### **COMPUTER INSTRUCTION AT BMS**

- The computer technology program serves all students in the school. Students will receive direct instruction relating to information technology literacy (ITL), related computer skills, competencies and a variety of classroom-integrated technology opportunities.
- The two ITL teachers and our Library Media Specialist deliver a program of skills instruction which includes word processing, digital photography, database, spreadsheet, presentation software, multimedia authoring, web page design, digital, video and still image editing.
- The programs used are Google Apps for Education, Microsoft Word, Excel, PowerPoint, FrontPage, Access, PhotoShop, iMovie, and Web 2.0 tools, Sketchup and additional apps and programs new to the marketplace.
- Students use additional programs for special projects and as resources for assignments.
- Students will be introduced to Internet research and web page construction.
- Assessment in the ITL curriculum is integrated into the core subjects as the ITL curriculum and instruction follows a 'push-in' model. Students do not attend a separate computer class; the ITL teachers come into the core academic classes to teacher skills and competencies needed to produce products and deliverables in the core academic programs.
- We do our best to monitor Internet use and we encourage dialogue at home regarding appropriate use of this medium.

### **STUDENT PROMOTION PROCEDURES**

Before being promoted to the next grade, student achievement criteria must be met. The student must have a passing grade in each core academic subject. Core academic subjects are Language Arts, Mathematics, Science, Social Studies and World Language.

Students who earn a final grade of F in any core academic subject will be expected to complete one of the following options:

- Pass a course(s) in the Westport Summer School program in the same subject area.
- Pass an alternative course offered by Westport Summer School.
- Successfully complete an alternative educational experience determined in conjunction with the middle school and/or the high school principal, Superintendent of Schools, and the Assistant Superintendent of Curriculum. One of these alternatives, at the parent's expense, must be completed before the child is promoted to the next grade.

Each case will be reviewed individually after the student completes the summer course work to best plan for the following school year. The program review will involve a special meeting with the student, the parent(s), the counselor, and the principal to plan the child's next school year.

Students who do not attend an appropriate summer school or alternative educational program, will be required to meet with the school principal and other selected staff in August before the next school year begins. At this time, retention in the prior grade will be considered for the student, in consultation with the Superintendent of Schools.

Student grades will be reviewed at the end of each marking period. At that time, the parents of students in danger of failing a core academic course will be notified. The notification letter will list the options outlined in the above paragraph.

### **Promotion to ninth grade**

Eighth graders are expected to achieve a passing grade in each core academic subject (language arts, mathematics, science, social studies). Their grades will be reviewed at the end of the third marking period in eighth grade.

- The parents of a student in danger of failing a core course will be notified and directed to enroll the student in a summer school course.
- If the student passes the regular course, summer enrollment may be dropped, but if the student fails the regular course he/she will be expected to take the summer course.
- If the student does not pass the summer course, there will be a mandated program assigned to the student in ninth grade at the high school.

### **COUNSELOR/PSYCHOLOGIST SUPPORT**

- All students are assigned to a school counselor. The school counselor follows students through their three years at Bedford.
- Counselors are affiliated with grade level teams and as such provide small group support to address academic and social needs.
- When students are referred for individual assessment due to serious questions about performance in class, the psychologist administers and interprets individual tests to determine how best to address the student's learning needs. The results of these tests are combined with other data in a Planning and Placement Team (PPT) meeting in order to make recommendations for an appropriate program. Parents are a part of this process.

### **SPECIAL PROGRAMS**

Bedford offers special services for:

- Gifted and talented students- Challenge Program
- Students with special needs, physical or learning-related- Special Education (More information can be obtained through your child's counselor)
- Students for whom English is not their native language- ESL

- Students who are experiencing academic difficulties through support from the Student Support Team (SST).

### FIELD TRIPS

- School sponsored field trips are an extension of classroom instruction designed to enhance the educational program.
- Students must return a parent signed permission slip in order to participate.
- Families who require financial aid should contact the grade level school counselor.

### EXTRA HELP

- Each teacher provides extra help sessions either before school, after school, or during the lunch period.
- Please contact your child's teachers for the day and time of extra help sessions.

### REPORT CARDS

Our school year is divided into four marking periods of approximately nine weeks each. Report cards will be available on-line after each marking period. A grade of incomplete is given to the student who has been absent for a prolonged time or to the student who, in the teacher's and counselor's judgment, needs additional time to complete the work. If a student has an accountability; i.e. outstanding library books, lost textbooks, etc. the report card will be withheld until the issue is resolved (access to the online report card will be blocked electronically).

### HONOR ROLL CRITERIA

"First Honors" is awarded for a marking period GPA of 3.67 (A-) or above; "Second Honors" is awarded for a marking period GPA of 2.67 (B-) or above. Since some classes meet only once or twice per week, below you will find multipliers based on the number of times each course meets per week. Students in 6th grade may start to earn First Honors or Second Honors beginning in the second marking. Students receiving an incomplete (I) are not eligible for First or Second Honors until the incomplete is reconciled. To compute honors, numerical equivalents are assigned to letter grades as shown below:

<b>Letter Grade to Grade Point Average (GPA) Equivalents</b>												
<ul style="list-style-type: none"> <li>• <b>First Honors = 3.67 (A-) or above</b></li> <li>• <b>Second Honors = 2.67 (B-) or above</b></li> </ul>

### **STUDENT PROMOTION TO NINTH GRADE**

In order to be promoted to high school, eighth grade students are expected to achieve a passing grade in each of the core academic subjects: English Language Arts, Mathematics, Science and Social Studies. If, at the end of the third marking period, a student is failing one or more of these subjects for the year, the student's parents will be notified, and a meeting will be held with the student, his or her parents, grade-level counselor and a school administrator to determine the following:

- If any of the student's course recommendations for high school should be changed;
- If a PPT or an RTI meeting needs to be called to discuss the student's difficulties and possible supports;
- If the student should pursue opportunities to bolster their skills through a summer course.

## **HEALTH AND SAFETY**

### **STUDENT WELLNESS**

The district recognizes that proper nutrition and adequate physical exercise are related to the well-being and growth of students, and their development and readiness to learn. Health and well-being can enhance student learning, performance potential, and lifelong success. Further, healthy eating and appropriate physical activity are linked to reduced risk for mortality and the development of many chronic diseases. Therefore, as part of the total learning environment, the Westport Public School System promotes student health by supporting, as integral components of a coordinated approach to student health, good nutrition, regular physical activity, planned sequential health education, health services, counseling, psychological and social services, staff wellness, healthy school environment, and parent and community participation.

While the primary responsibility for instilling healthy lifestyle choices in children resides with families, the Board of Education backs the family through policies and procedures that support health and wellness practices for students and staff, and discourages practices that do not support health or promote wellness, or which give students contradictory messages. Please visit “Health Services” under the BMS website for more information.

### **SCHOOL NURSE**

- Students should report to the BMS Health Office when injured or feeling ill. In consultation with our school nurse, students may call their parents directly from the Health Office if warranted.

- Self-administration of inhaler or Epi-Pen is acceptable only with authorization from physician. (Forms are available in the nurse's office.)
